

# CLASS OF 2020

Serangoon Garden Secondary School  
GCE 'O' LEVEL RESULTS RELEASE

11 Jan 2021

# WELCOME BACK!

Serangoon Garden Secondary School  
Established in 1959

Perseverance. Respect. Integrity. Diligence. Empathy

# Gratitude

*It's not happiness that  
brings us gratitude.*

*It's gratitude that brings  
us happiness.*

**Be mindful.**

**Approach life with a  
heart of gratitude.**

**Pay it forward.**

## *A note of acknowledgement and appreciation to...*

- ☺ All Sec 1 to 4 teachers who have guided our 2020 4E5N cohort by laying a strong foundation at the lower secondary level and helping them in their journey towards the national examination.
- ☺ All parents / guardians who have supported their children / wards and partnering the school to bring out the best in them.

# CELEBRATE EFFORTS!

The O-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous achievements in school and the challenges we have overcome!

Success is not final,  
Failure is not fatal;  
It is the courage to  
continue that counts.

Winston Churchill

# The ability to learn, un-learn and re-learn will be key

**“The future economy calls for a very different sort of education... It is a future driven by the need for skills, innovation, adaptability and flexibility... (and it) means that learning has to continue well into adult life”**

*- Indraneel Rajah (2019)*

# THINK OPPORTUNITIES!

- As you await your GCE O-Level results, there are 3 possibilities:
  - You are happy that your results meet your expectations,
  - You are overjoyed that your results exceed your expectations, or
  - You are worried/upset because your results fall short of your expectations.

Remember that **everyone's learning journey is different**  
but **we can each have a fulfilling outcome!**

*Many pathways and opportunities!*

# Managing Your Emotions and Making Your Decisions

When you receive your results, you may feel overwhelmed by emotions. Managing these emotions well will allow you to stay calm and make rational decisions.

## STOP

Stop any unhelpful thoughts or actions that would make you more upset. Inhale deeply and exhale slowly using 10 counts as you relax your muscles. Acknowledge your emotions.

## THINK

Think through the different options that are available for you. Keep things in perspective. Remember that N-Level is just one part of your life journey and not the destination.

## DO

Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you. Make a decision based on your options and take action.

# 3 key questions to help you get started

# Who am I? Who do I want to be?

1. What are your dreams and goals?
2. What do you enjoy doing and are good at?
3. Explore what your interests are, and balance that with what you're competent at

**Align your  
education choices  
and career goals**

# Where do I want to go? Why?

- There are multiple education and career pathways available today. **Each one of them cater to different strengths and interests.**
- Understand that no matter who we are and what our strengths may be, **there is a pathway for all of us.**

**There are many  
options for you  
to explore**

# How do I get there?

- Use the many resources available to help you as you take the next step in your education journey
- Talk to your parents, teachers and counsellors if you need more support.

**Seize learning opportunities** that help you develop, as you think about what motivates you

# JAE Registration Period

The registration period is from 3.00pm on 11 Jan 2021 to 4.00pm on 15 Jan 2021 (this Friday)

All course registration must be done online through the JAE Internet System (JAE-IS) at the JAE website at [www.moe.gov.sg/jae](http://www.moe.gov.sg/jae) using SingPass or the JAE PIN found in Form A, which will be issued to you together with your results slip later.

# Information for JAE Registration

Applicants should note the following:

1. You should complete the JAE Worksheet before accessing the JAE-IS to register your course choices. Completion of the JAE Worksheet will enable applicants to register more smoothly online.
2. You are strongly advised to make full use of the 12 choices, where applicable. The choices should be listed in the order of preference.
3. You are strongly advised to print and retain a copy of the Verification Slip after you have submitted your application online to confirm that your application is successful. If not, you can log in again during the registration period to obtain your Verification Slip.

# Additional Information for JAE Registration

1. JCs and MI offer a variety of subjects and different subject combinations. They may also set their own school-based criteria for subjects offered, based on professional and student-centric considerations. Posting to an Arts, Science or Commerce course does not guarantee that students will be able to offer their preferred subject combinations.
2. Beyond academic requirements, students should note that some polytechnic/ ITE courses may require students to meet non-academic requirements, such as passing of medical examinations, in order to comply with industry requirements. These requirements can also be found in the JAE information booklet and students are advised to take these requirements into account when making their choices.
