Celebrate Efforts

The N-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

Remember that everyone's learning journey is different but we can each have a fulfilling outcome!

Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.
Those who were unsuccessful in EAE are also eligible for JIE.

Participation in JIE Main Phase is key to securing a place in ITE!

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

If you have received an additional letter, then you are eligible for the Enhanced Foundation Programme (EFP).

If you are eligible for EFP, make sure you apply for both the EFP and the 2-year Nitec/3-year Higher Nitec!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!
